PROCEDURES FOR FILING OMNIBUS CLAIMS OBJECTIONS

1. Grounds for Omnibus Objections. In addition to those grounds expressly set forth in Bankruptcy Rule 3007(d), the Debtors² may file omnibus objections (each, an “**Omnibus Objection**”) to Claims on the grounds that such claims, in part or in whole:

- (a) fail to specify the asserted claim amount (other than “unliquidated”);
- (b) seek recovery of amounts for which the Debtors are not liable;
- (c) are satisfied by payment in full or in part on account of such Claim from a party that is not a Debtor, including one or more of the Debtors’ insurers;
- (d) are incorrectly or improperly classified under the Bankruptcy Code or under any chapter 11 plan;
- (e) are filed against non-Debtors or are filed against multiple Debtors;
- (f) fail to specify a Debtor against which the Claim is asserted;
- (g) are disallowed pursuant to, or asserted in an amount, priority, or on terms that are otherwise inconsistent with the Debtors’ confirmed chapter 11 plan;
- (h) are disallowed pursuant to section 502 of the Bankruptcy Code; or

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are as follows: Core Scientific Mining LLC (6971); Core Scientific, Inc. (3837); Core Scientific Acquired Mining LLC (6074); Core Scientific Operating Company (5526); Radar Relay, Inc. (0496); Core Scientific Specialty Mining (Oklahoma) LLC (4327); American Property Acquisition, LLC (0825); Starboard Capital LLC (6677); RADAR LLC (5106); American Property Acquisitions I, LLC (9717); and American Property Acquisitions, VII, LLC (3198). The Debtors’ corporate headquarters and service address is 210 Barton Springs Road, Suite 300, Austin, Texas 78704.

² Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

- (i) fail to sufficiently specify the basis for the Claim or provide sufficient supporting documentation therefor.

2. Form of Omnibus Objection. Each Omnibus Objection will be numbered consecutively, regardless of basis.

3. Supporting Documentation. In accordance with Bankruptcy Local Rule 3007-1, each Omnibus Objection must include an affidavit or declaration signed by a person with personal knowledge supporting the objection.

4. Claims Exhibits. An exhibit listing the Claims that are subject to the particular Omnibus Objection will be attached thereto. Each exhibit will include only the Claims to which there is a common basis for the objection. Claims for which there is more than one basis for the objection will be referenced on each exhibit applicable thereto. Including an Omnibus Objection on one exhibit will not constitute a waiver of the Debtors' right to object to the Claim on an additional basis or bases. The exhibits will include, without limitation, the following information alphabetized by claimant:

- (a) the Claims that are the subject of the Omnibus Objection and, if applicable, the Proof of Claim number or schedule number related thereto from the Claims register;
- (b) the asserted amount of the claim;
- (c) the grounds for the objection;
- (d) a cross-reference to the section of the Omnibus Objection discussing such claim; and
- (e) other information, as applicable, including: (i) the proposed classification of Claims the Debtors seek to reclassify; (ii) the claim amounts of Claims the Debtors seek to reduce; or (iii) the surviving claim amount, if any, of claimants affected by the Omnibus Objection.

5. Objection Notice. Each Omnibus Objection will be accompanied by an objection notice, substantially in the form annexed to the Order as **Exhibit 2**

(the “**Objection Notice**”), which will:

- (a) adequately describe the nature of the objection;
- (b) inform creditors that their rights may be affected by the objection;
- (c) describe the procedures for filing a written response (each, a “**Response**”), to the objection, including all relevant dates and deadlines related thereto;
- (d) identify the hearing date, if applicable, and related information;
- (e) include an exhibit listing the names of all creditors that are subject to the Omnibus Objection, along with reference to the particular exhibits of the Omnibus Objection on which their Claims are listed; and
- (f) describe how copies of Proofs of Claim, the Omnibus Objection, and other pleadings filed in the chapter 11 cases may be obtained.

6. Notice and Service. Each Omnibus Objection will be filed with the Court and served electronically using the Court’s electronic filing system. Each Omnibus Objection (along with a copy of the Objection Notice, these Omnibus Procedures, and the Withdrawal Form) will be mailed to each claimholder that is subject to such objection.

7. Omnibus Claims Objection Hearings. Each Omnibus Objection may be set for a hearing no less than thirty (30) days after service of the Omnibus Objection (each, a “**Hearing**”), unless the Court orders otherwise. In the applicable Debtor’s discretion, each Omnibus Objection may be filed either (i) with a Hearing date already scheduled in coordination with the Court or (ii) filed without a Hearing date with the intent of scheduling a Hearing date in the event one or more Responses are filed. Hearings will be conducted according to Bankruptcy Local Rule 3007-1(d) such that, unless otherwise ordered by the Court or by consent of the parties, the initial Hearing will be non-evidentiary and used as a scheduling conference. Adjournments or continuances of claim objections Hearings must either (i) be agreed or reflected in a claims objection hearing agenda that is filed at least twenty-four (24) hours prior to the scheduled Hearing or (ii) ordered by the Court on motion of any party. If a subsequent Hearing is

necessary, the Debtor shall file with the Court and serve on the affected claimant(s) a notice of the subsequent Hearing (the date of which shall be determined in consultation with the affected claimant(s) or announced on the record).

8. Entry of an Order Without a Hearing. For Claims subject to an Omnibus Objection for which no Response is filed, the Court may enter an order granting the Omnibus Objection with respect to such claim. Notwithstanding the foregoing, nothing in these procedures shall prejudice the Debtors' right to seek entry of an order sustaining the Omnibus Objection as to any or all Claims contained therein pursuant to Section "Q" the Complex Case Rules.

9. Contested Matter. Each claim subject to an Omnibus Objection and the Response thereto shall constitute a separate contested matter as contemplated by Bankruptcy Rule 9014, and any order entered by the Court will be deemed a separate order with respect to such claim. The Debtors may, in their discretion and in accordance with other orders of this Court, a chapter 11 plan of reorganization, and the provisions of the Bankruptcy Code and Bankruptcy Rules, settle the amount and validity of such contested Claims without any further notice to, or action, order, or approval of, the Court.

Responses to Omnibus Objections

10. Parties Required to File a Response. Any party who disagrees with an Omnibus Objection is required to file a Response in accordance with the procedures set forth herein. If a claimant whose claim is subject to an Omnibus Objection does not file a Response in compliance with the procedures below, the Court may grant the objection with respect to such claim without further notice to the claimant.

11. Response Contents. Each Response must contain the following (at a minimum):

- (a) a caption stating the name of the Court, the names of the Debtors, the case number, and the Omnibus Objection to which the Response is directed, and, if applicable, the Proof of Claim number(s) related thereto from the Claims

register;

- (b) a concise statement setting forth the reasons why the Court should not grant the objection with respect to such claim, including the factual and legal bases upon which the claimant will rely in opposing the Omnibus Objection; and
- (c) the following contact information for the responding party:
 - (i) the name, address, telephone number, and email address of the responding claimant or the name, address, telephone number, and email address of the claimant's attorney or designated representative to whom the attorneys for the Debtors should serve a reply to the Response, if any; or
 - (ii) the name, address, telephone number, and email address of the party with authority to reconcile, settle, or otherwise resolve the objection on the claimant's behalf.

12. Filing of the Response. A Response will be deemed timely only if it is filed with the Court not later than the day that is thirty (30) calendar days from the date the Omnibus Objection is served.

13. Discovery. If either the Debtors or the claimant determines that discovery is necessary in advance of a Hearing on an Omnibus Objection, such party will serve a notice on the other party and its counsel of record (if any) that a scheduling order with respect to the Omnibus Objection will be requested at the Hearing. Such notice may be incorporated into the agenda for the Hearing, or may be provided by separate notice.

14. Failure to Respond. **Absent reaching an agreement with the Debtors resolving the objection to a claim (as described in the Objection Notice), failure to timely file a Response as set forth herein may result in the Court granting the Omnibus Objection, without further notice or hearing.** Upon entry of an order sustaining an Omnibus Objection, affected creditors will be served with such order.

15. Reply to a Response. The Debtors shall be permitted to file a reply to any Response no later than two (2) business days before the Hearing with respect to the relevant

Omnibus Objection.

Miscellaneous

16. Additional Information. Copies of these procedures, the Motion, the Proposed Order or any other pleadings filed in these chapter 11 cases are available at no cost at <https://cases.stretto.com/corescientific>.
